THOMAS AND THE PURP.

man, he owned a terrier darg-A hob-tailed ornery cuss, And that there purp got that there man

In many an ugly muss; For the man he was on his muscle, And the dorg was on his bite, So to kick that dorg-gonoid animite. Was sure to raise a fight.

A woman owned a Thomas cat, That fit at fifteen pound; And other cats got up and slid When that there cat was round The man and his dorg came along one day, Where the woman she did dwell, And the purp he growled ferociously,

Then went for the cat vight well. He tried to chaw the neck of the cat, But the cat, he wouldn't be chawed, o be lit on the back of that there dorg

As the claws went into his hide, And chunks of flesh were pecked from his back Then he flummuxed, and kicked, and died The man be ripped, and cassed and swore, As he gathered a big hrickbat That he would be durned essentially

But the woman 'lower she'd be bles'd if he did! And snatched up an old shotgun, Which she fir'd and pepper'd his old diaphragm With bird-shot number are If he didn't kill that cat! They toated him home on a window blind

And the doctor cured him up; ut he never was known to fight again, Or to own another purp. Folks may turn up their snoots at this rhym I don't care a cuss for that! All I wanted to show is that 5ghting dorgs May tackle the wrong Ton cat,

A NEW FEMININE CRAZE.

Shapely Limbs Disfigured by Tattooing.

The Extent of the Questionable Practice in the East-

Philadelphia Item. The item which was published in the London Times, and which was generally copied in this country, relative to the elopement of the daughpractice, which was known to be

In order to learn whether the tattooling was carried on to any extect in this city, an Item reporter last week made a four of discovery, in which he was very successful. Among the first visited was a young physician who said "the leg mark" referred to, in reference to the cloping young damsel, would be a poor means of identity in this country, or I know of young ladies in this city who have their limbs decorated in a similar manner. During my brief time of practice, I can say that I have met with very many cases. Two young wives whom I attended recently had one young lady of whom I know had the initials of her favorite suitor nierced in the skin just above the the initials of her favorite suitor pierced in the skin just above the ankle. A younger practitioner said he had met with numerous cases late-the favority and the bee' crawled along up, waiting for

ly. Among the most favorite devices are serpents with their tails in their casional sting, but not even a sigh esstort respectfully informs the public that he mouths, forming a ring, which are caped the sleeper. The young man mouths, forming a ring, which are caped the sleeper. The young man sand smear mo Sunday cost.

Besides, a Among the demi-monde he had seen "any number of cases." He stated that most of the female fattooing was that most of the female tattooing was performed at the house of the patron, by a woman, whose name he did not know. He was of the opinion that tattooing would spread like wiklfire

since that paragraph about the young English woman had appeared. Being anxious to gain all the information possible, relative to this bar-baric custom, an Item rep. started out baric custom, an Item rep. started out in search of the woman referred to, who was found in an unpretentious, but near house, in the vicinity of but near house, in the vicinity of called for gin, drank it, and said to the white faced crowd on the bench:

ted to a seat in the parlor, while his card was sent up stairs. Five minutes atterward, a pleasantfaced lady attired in black, unrelieved by adornments of any kind, entered parlor and smilingly extended her hand, the fingers of which were black with India ink. After stating his business, the lady, after some hesitation, consented to talk on the subject, providing her name and residence were not published. "I have to maintain much secresy," said the lady, "for many of my patrens belong to the best families." In answer to the query whether the practice was

the query whether the practice was increasing, the ludy said: "A year or so ago business was duil, but now I have more than I can attend to."
"I do not know how I shall describe the operation," said the lady, "for I am not very apt at such things But, if I could so arrange it that you could see the mod" operandi your-self, will you ple 42 me secresy in case you know o. recognize the pa-

The scribe willingly gave his word to be mum, and he was taken into a room up stairs, which adjoined the operating room, and where he could observe without being seen. The operating room bore the appearance of a dentist's office. A large comfortable chair, in which an asplrant for tattooing honors was seated, stood by the only window in the apartment. The patient's leg was bare, and exposed nearly to the knee, and from

posed nearly to the knee, and from its appearance it was evident that the operation had been suspended when the lady came down to -welcome the reposter. Work upon it was resumed without delay, and every time the needle pierced the skin the young woman winced perceptibly, and it was evident that the operation was a pointed one. Several times the leg painful one. Several times the leg was jerked back convolsively, which drew out an angry demand to "keep quiet." At last the work upon the cross was completed, and the young woman departed.

The next patient was a well-known leader of the demi-monde of this city. who had come to have the finishing touches placed on an elaborate de-sign. She laughed and chatted through the operation, and before she through the operation, and before she left, concluded to have her other limb of digestion as Dr. Price's Cream decorated at an early day.

As soon as she left, the India-ink

Well, Lam now ready to continue likely to suffer.

Art—To some it is; to others not. I have known some to faint while undergoing the tattooing, while others will taugh and joke throughout

the cutire operation, evincing no oneasiness whatever. Rep-1s not the practice injurious?

Art-No. I have never heard of it being so at least. I knew of one young lady whose limb was inflamed and swollen for two or three days, so that it was impossible for her to use it; but the swelling went down, and over. since then she has experienced no trouble. But I did not wonder at this case.

Rep-Why? Art-She wanted too much. She actually insisted in having tattoocd on her limb

FROM HER KNEE DOWN, no less than eight devices, including menograms, crosses, half-moons, &c. Rep-Who are your best custom-

Art-The demi-monde. Lately they have become almost crazy over it. Still I have quite a practice among respectable women. Speaking of the recalls a little incident. Last week I was called upon by one of them to tattoo the name of a well-known pol-itician on her limb, which I did. The next day another woman of the same class called for the same purpose. I remarked to her the coincidence. Turning around in the chair she said: "If any other woman bears his name, tattoo it on the bottoar of my foot, so that I may express my contempt for

Rep-What are your charges? Art They range from \$5 to \$25, and for more elaborate designs, as high as \$50. Most of my customers. however, are of the five dollar class for which sum I will tattoo crosses

monograms and circles.

After declining an offer to tattoo
his name on his arm, the reporter
withdrew, thoroughly satisfied that the rumors of the practice of this art were not without foundation.

## A Stranger's Nose.

Some of those chaps who wear the sentence, "She can be fully identified by a cross tattooed on the right with a fine thread attached to the leg just below the knee," has served to back; and sometimes these toys can call out in this country, from the be handled to the amusement of a press, a general condemnation of the small crowd. When an unknown man yesterday fell asleep in a saloon indulged in by English and on Michigan avenue, the young man French women.

In order to learn whether the tat-

stranger lazily opened his eyes. slowly arose up from his chair, and

coolly remarked: 'Now, then, if you have got through fooling with my nose, I'll fool with yours for awhile!'

It isn't likely that particular young man will ever dangle artificial flies any more. He was doubled up, straightened out, choked, mopped and slammed so thoroughly that his appeat the bell brought a colored servant to the door, and the scribe was inviplease call around and let me know. -Detroit Free Press,

The Weed.

A comical story is told of two wellknown Southern clergymen, one of whom undertook to rebuke the other for using the weed.

"Brother G.." he exclaimed, withont stopping to ask any other questions, "is it possible that you chew to-"I must confess I do," the other qui-

etly replied. "Then I would quit it, sir," the old gentleman energetically continued. "It is avery unclerical practice, and a

very uncleanly one. Tobacco! Why, sir, even a hog won't chew it." "Father C., do you chew tobacco?" sponded the amused listener.

"I? No, sir!" he answered gruffly with much indignation. "Then, pray, which is most like the nog, you or 1?"

The old doctor's fat sides shook with laughter as he said: "Well, I have been fairly caught

A Question of Spelling.

this time."

The "phenomenal" good speller of the News don't like our way of spell-ing program. He would rather have it spelt as they do in telegrammes to Siamme, and in diagrammes of mill-damme, or as it is spelt in an ana-gramme or diagramme on Hamme. It's a pity our Argus-eyed guardians don't emptoy a battering-ramme to don't emptoy a battering-ramme to cramme some of the shamme out of himme .- Dennison (Texas) Herald.

Care in Selecting Food.

> Which Breckinging and Marshall trod.
>
> Where chivalry in grand array.
>
> Claimed homoge little less than God."

As a question of taste, moreover, an exception must be taken to our poet's embodiment in verse of his gradge against another distinguished scion of the Breckinridge house.

\*Rev. Robert J.

St. Louis. A YOUNG GIRL MURDERED. St. Louis, August 31.—At an early hour this morning, Will Ward shot Annie Lewis, a girl of fourteen, because she refused to leave her mothterminated fatally. This e Ward was captured by the while running away from the house. The parties are colored. A previous difficulty had occurred between them

The largest tree in the Southern States, a tulip bearing poplar free near Augusta, Ga., is 155 feet high and 9 feet in diameter, its lowest branches being 55 feet from the ground

marry Ward.

South and Central America are at "Landlady," said he, "the coffee present fairly clouded with the sniphis not settled." "No," she replied, urous smoke of Levae. Peru and but it comes as near it as your last month's board bill does;" and that man never spoke again during the the melee. Paraguay has a revo meal.

on account of the girl's refusal to
